Dear Head teacher

Yes! It is that time of year again. I am writing to invite you to the Orsett Show on the 1st September to display your children's work. This is a FREE offer with no strings attached and I can give you some free tickets (limited per school) for you to come and enjoy the show. I do appreciate that this is before we are back from the summer holiday but staff who attend come and have a good day out whilst praising Thurrock children. The Orsett show committee are keen to encourage you to enter this year. It is an ideal time to showcase the Art side of the work your school does.

The Schools Marquee is very popular and has many visitors. Some children are so excited when they see their school display. Some are very disappointed when their school is not there. There is no set theme for each school, just the opportunity to show some of your work. Staff can bring displays on the day before, Friday; I will be there from 10am. You may use your own display boards but we can also supply some trestle tables and chairs. The displays do not have to be attended but some schools bring young people along to showcase the school, they are very welcome. I cannot provide free tickets for parents unfortunately due to budget constraints. Tickets can be collected as staff put up the display. I also supply tea, coffee, soft drinks and biscuits!

Please note that I have retired from teaching so can be contacted on Catherine.hasler@btopenworld.com or 01375374569 only. Please let me know that you are coming.

In addition the Hobbies and Horticulture section runs competitions for young people to enter which they may like to do over the Summer Holidays.

Further details can be found on the Show website.

If possible would you be kind enough to include these details in your school newsletter or add a link to the show website.

Thank you for your help I look forward to seeing your children's work in the show.

Regards

Cathy Hasler
