PORT OF  
TILBURY  
LONDON

# LONDON'S MAJOR PORT

The Port of Tilbury is the largest multi-modal port in the South East and the fourth largest port in the UK.

We are proud to sponsor the Orsett Show for the fourth year running as part of our commitment to the local community. This year we have supported various events and activities from apprenticeships and work experience placements to careers guidance and creative and cultural activities that connect communities with our rich history and environment.

*We hope you enjoy the Orsett Show. It is a great family day out and part of our local history.*

*Nick Thake*

## Welcome to the Orsett Show 2024

I have made Orsett my home since 1977 and have always supported the unique event that is our Wonderful Orsett Show. My wife and children and now my grandchildren have all competed in the horse section and the whole family enjoy the show every year.

I am very honoured to be asked to be President this year and join the tireless committee that works so hard behind the scene and hope I can bring some positive ideas and actions to help continue the successful future of the show.

I look forward, as always, to a wonderful, exciting day this year, showcasing our village, produce, livestock, competitors and attractions and thank everyone involved for making it happen.

I wish you all a very enjoyable day.

Nick Thake

## Orsett Show Vice Presidents

As a Vice President of the Orsett Show you will have entrance to the show, priority parking and access to the Vice Presidents' enclosure. This has a licenced bar, catering facilities (tea, coffee, lunch).

If you are interested in becoming a Vice President for the 2025 show, please visit our website

## Agriculture

The Agriculture Marquee will display samples of cereal crops and produce grown in the local area and displays of how they are used in the food chain.

The Agricultural Show Stewards will be happy to answer all your farming questions.

*Tom Benton*

## Cattle

The Orsett Show is again pleased to welcome cattle of various breeds. They will have their own exclusive ring adjoining the livestock pens where the judging of the Show Champion and a Young Handlers Class will take place throughout the morning. Visitors are encouraged to ask the owners about their cattle and the field to fork process.

The Orsett Show is a great way for families to see the animals close up and understand how farming affects everyday life.

*Alex Frood*

## Hobbies & Handicrafts

In the Hobbies & Handicrafts marquee, members of the public display and win prizes for their homemade creations - from cakes and preserves, sewing and knitting, to photography and art and much more. We also have junior classes for our talented young supporters. Come and take a look at the beautiful handiwork; it's amazing what people can do – you might even be tempted to get creative yourself! Cups are awarded in the marquee at 4.30pm.

*Carole Raven*

## The Craft Marquee

At the Orsett Show our Craft Marquee offers a range of home-made crafts. Crafts on offer this year include hand knits, wax melts, candles and fragrances, jewellery, home fragrance, coasters, crochet, 3D printed items, original artwork, sweet treats, and health and wellbeing remedies. To see these and what else is on offer please come and browse. I am confident you will find something you love!

*Kellie Allen*

## Horticulture

Visit the Horticulture Marquee to see the results of the "green fingered" exhibitors.

There are vegetables, fruit, flowers on show together with childrens' classes and an opportunity for anyone interested in flower arranging to put in an exhibit. Back this year is Laurence Hobbs Orchids.

We hope to see you there.

*Julie Finch and Sharon Larsen*

## The Education Zone

The education zone celebrates local schools and education providers. Come and visit the zone to see all the education opportunities available for children and adults

# PRACTICAL SOLUTIONS TO ACHIEVE NEW INCOME FROM YOUR LAND

Do you have land that needs remediation to achieve a productive new use or prepare it for development, but where the technical challenges are a barrier to doing it yourself?

Or possibly land with mineral reserve where the process of securing consent and the investment required is too daunting? Maybe an unfulfilled aspiration to construct an irrigation reservoir, create woodlands or landscape for Biodiversity Net Gain as a new source of income?

Land Logical can help fulfil your ambitions. We are able to undertake preliminary assessments at our own expense, and underwrite all the costs associated with bringing forward projects to the implementation stage if the initial assessments is positive. Interested? Then contact:
