PORT OF
TILBURY
LONDON

The Port of Tilbury, part of Forth Ports, is the UK's fastest-growing port and a key hub for trade, logistics and industry. Handling a wide range of cargo. From containers and ro-ro to construction materials, grain and renewable energy components, it plays a vital role in supporting UK supply chains and economic growth.

As we continue to invest and expand, we remain committed to developing future talent. Currently, we offering 12 apprenticeship routes in Tilbury across areas including engineering, operations, finance and business , alongside graduate programmes that provide hands-on experience and career pathways. We are proud to be a Gold accredited member of The 5% Club, recognising our commitment to developing emerging talent.

By combining innovation, sustainability and people development, we are building a skilled workforce for the future while creating long-term opportunities locally and beyond.

Proud Sponsor of the Orsett Show

Forth Ports Limited Workingatforthports Forth Ports Limited

Welcome to the Orsett Show 2026

Paul Dale,
Chief Operating Officer Forth Ports

It is a real privilege for Forth Ports to once again be the main sponsor of the Orsett Show, and for me personally to serve as President. Having grown up locally and attended the show with my family for many years, this role is especially meaningful to me. I know first-hand the special place the show holds at the heart of our community.

The Orsett Show is a wonderful celebration of our local heritage, made possible by the dedication and generosity of its volunteers. With its livestock, agriculture, crafts, horticulture, entertainment and much more, it remains one of the highlights of Thurrock's calendar.

It is vital that the next generation continues to support and champion the show, ensuring this much-loved tradition continues to thrive for years to come. Volunteering is a wonderful way to build community spirit, pride in place and a lasting legacy for the future.

Paul Dale

Orsett Show Vice Presidents

As a Vice President of the Orsett Show you will have entrance to the show, priority parking and access to the Vice Presidents' enclosure. This has a licenced bar, catering facilities (tea, coffee, lunch).
If you are interested in becoming a Vice President for the 2027 show, please visit our website **www.orsettshow.co.uk**

Agriculture

The Agriculture Marquee will display samples of cereal crops and produce grown in the local area and displays of how they are used in the food chain.
The Agricultural Show Stewards will be happy to answer all your farming questions.

Tom Benton

Cattle

The Orsett Show is again pleased to welcome cattle of various breeds. They will have their own exclusive ring adjoining the livestock pens where the judging of the Show Champion and a Young Handlers Class will take place throughout the morning. Visitors are encouraged to ask the owners about their cattle and the field to fork process. The Orsett Show is a great way for families to see the animals close up and understand how farming affects everyday life.

Andrew Frood

Hobbies & Handicrafts

In the Hobbies & Handicrafts marquee, members of the public display and win prizes for their homemade creations - from cakes and preserves, sewing and knitting, to photography and art and much more. We also have junior classes for our talented young supporters. Come and take a look at the beautiful handiwork; it's amazing what people can do – you might even be tempted to get creative yourself! Cups are awarded in the marquee at 4.30pm.

Carole Raven

The Craft Marquee

At the Orsett Show our Craft Marquee offers a range of home-made crafts. Crafts on offer this year include hand knits, wax melts, candles and fragrances, jewellery, home fragrance, coasters, crochet, 3D printed items, original artwork, sweet treats, and health and wellbeing remedies. To see these and what else is on offer please come and browse. I am confident you will find something you love!

Kellie Allen

Horticulture

Visit the Horticulture Marquee to see the results of the "green fingered" exhibitors.
There are vegetables, fruit, flowers on show together with childrens' classes and an opportunity for anyone interested in flower arranging to put in an exhibit. Also if you have any questions re-growing fruit and veg why not speak to Mark & Clive from the Allotment Steering Group.
We hope to see you there.

Julie Finch

The Youth Zone

As in previous years The Youth Zone Marquee will celebrate local schools and education providers but new for this year we will be showcasing the Future Youth Zone, a vibrant new space coming to Tilbury soon that will create incredible opportunities for young people across Thurrock. Come and see what it is all about.

WE GO BEYOND

grs | TRADING

Aggregates
Recycled materials
Waste solutions

grs | BUILDING PRODUCTS

Decorative aggregates
Specialist aggregates
Bark and soil
Concrete blocks

grs | INTEGRATED SOLUTIONS

Civil engineering
Earthworks and enabling works
Road, rail and marine freight

grs | PAVING

Stone paving
Porcelain paving
Interior tiles

GRS is the UK's leading independent supplier of essential construction materials, from low-carbon recycled aggregates and decorative landscaping products to high-volume bulk aggregates for the country's biggest construction projects.

GRS handles around 20 million tonnes of material every year and we provide our customers with end-to-end transport solutions by making efficient use of road, rail, river and sea freight to deliver them as sustainably as possible.

Besides construction materials and building products, our growth and diversification mean we also provide building and contracting services and waste management, offering total solutions for recovery and reuse of unwanted construction, demolition and excavation waste.

We have a major presence across Thurrock with many of our colleagues living and working in the area. So we're proud to continue our support for the Orsett Show in its 118th year, one of the oldest shows of its kind!

People are at the heart of everything we do. We're proud of our efforts to prioritise the health, wellbeing and personal development of our 800-strong workforce who together are helping GRS grow from strength to strength. If you're interested in joining us, check out the vacancies page on our website.

Land · Property · Development

Property Professionals Since 1988.

For decades, Lennard & Hill Residential has strived to provide an effective, but also sincere and honest, property sales service. A real family business (three Lennards here), we like to think that clients are treated more like family friends than just another seller.

With a passion for property, ours is a comprehensive service with just one package option: maximum effort.

In addition to hundreds of 5 Star Google Reviews to back up our claims, L&H is PropertyMark accredited and fully qualified (voluntarily) ahead of incoming RoPA legislation. You can trust us with your home.

PRACTICAL SOLUTIONS TO ACHIEVE NEW INCOME FROM YOUR LAND

Do you have land that needs remediation to achieve a productive new use or prepare it for development, but where the technical challenges are a barrier to doing it yourself?
Or possibly land with mineral reserve where the process of securing consent and the investment required is too daunting? Maybe an unfulfilled aspiration to construct an irrigation reservoir, create woodlands or landscape for Biodiversity Net Gain as a new source of income?

Land Logical can help fulfil your ambitions. We are able to undertake preliminary assessments at our own expense, and underwrite all the costs associated with bringing forward projects to the implementation stage if the initial assessments is positive.
Interested? Then contact:

Robin Jones on 01322 287267 or 07391 586 883, robin@landlogical.com
